

Our Texas Food Banks are experiencing a dramatic increase in need for services as more people are impacted by shutdowns and work stoppages. They are working hard to convert their distribution model to emergency food boxes only while distributing food in drive-through settings wherever it is safe and practical to do so. If you'd like to help from home, please consider the option of doing a virtual food drive (VFD) to help raise money online. Food banks still need in-person volunteers as well, so if you're healthy and not in a high-risk group, please consider helping out.
